

SUBMITTAL DATE AND TIME

All subdivision plats, maps, fees, and related materials subject to the provisions of this chapter shall be submitted to the Director of Planning not later than **four o'clock p.m.** fifteen (15) days prior to the next regular Commission meeting, unless subject to the requirements of a public hearing pursuant to Section 212.105 of the Local Government Code governing the replat of property zoned R-1 (Single Family Residential District) during the receding five (5) years, or restricted to residential uses for not more than two family dwellings per lot. Plats, maps, fees, and related materials for replats requiring notification shall be submitted to the Director not later than twenty-five (25) days prior to the Commission meeting at which the public hearing is to be held.

Incomplete applications will not be processed for the current cycle. Following the submission of a completed application, the written comments and recommendation of the city staff shall be made available to the applicant(s) not later than eight days prior to the Commission meeting.

CITY OF LAREDO
PLAT SUBMITTAL REQUIREMENTS CHECKLIST

1. In General: All persons submitting a plat for review by the City shall furnish to the Department the following materials:

_____ Completed application form.
_____ Evidence of the applicant's legal interest in this property.
_____ Plat reproductions. Eleven (11) 24" x 36" legible paper copies reproduced from an original drawing with blue or black lines folded to 8 1/2 inches by 14 inches. Additional copies may be, required for presentation to the Commission.
_____ A site plan for all institutional, commercial and multi-family projects reproduced from an original drawing, indicating the proposed location of principal structures, parking areas, proposed internal traffic circulation, and access from public streets or roads.
_____ Filing fees.

2. General Plan.

A general plan shall identify the following:

_____ Controlling topographical features of the property;
_____ Adjacent land uses;
_____ Pipelines and oil/gas production or recovery facilities;
_____ Proposed extensions of thoroughfares, local streets, drainage structures and/or detention facilities;
_____ Existing overhead power transmission lines and easements;
_____ Proposed land uses; and
_____ Configuration of lots.

3. Preliminary plats shall include the following:

_____ Name of the subdivision
_____ Legal description of the property (including county, survey and abstract number together with reference to a recorded subdivision in the area).
_____ Legal description of the property by lot and block if included in a recorded subdivision, or otherwise by a metes and bounds description.
_____ Subdivider's present interest in the property and the subdivider's ownership of adjacent and contiguous property.
_____ Name of the owner of the fee as of the date of the examination and volume and page of the county deed records proving title.
_____ Name(s) of any lienholder(s) together with recording information and the date of the instruments by which the interest(s) was acquired.
_____ Identification of all easements and fee strips.
_____ Tax certificates showing all taxes are current.
_____ Total acreage and the total number of lots, blocks and reserves.
_____ Name of the subdivider.
_____ Name of person or firm responsible for preparation of the plat.
_____ The date on which the plat was drawn.
_____ The north point. The subdivision must be oriented with north generally to the top of the drawing.
_____ Scale: one inch equal 100 feet.

- _____ Legible vicinity map (Scale: one inch = 2000 feet) indicating the location of the subdivision and its relation with well known streets, railroads, water courses and other landmarks within one (1) mile of the proposed subdivision.
- _____ Plat boundaries drawn with heavy lines.
- _____ Identification of adjacent areas outside the plat boundaries.
- _____ Location and width of existing and proposed water courses, ravines, storm drainage systems, and drainage easements.
- _____ The location and identification of all tracts not designated as lots within the boundaries of the plat.
- _____ Names and location of all streets, roads, alleys and easements.
- _____ Location of all lots, blocks, building setback lines and other features within the plat boundaries with approximate dimensions.
- _____ Proposed method(s) of providing water and sewage facilities.
- _____ Plats containing private street (multi-family development) proposals must include:
 - _____ number of structures containing residential units
 - _____ number of residential units and the number of bedrooms
 - _____ location of the principal entrance of each structure
 - _____ number of off-street parking spaces required
 - _____ number of off-street parking spaces provided
 - _____ location of existing and proposed fire hydrants

4. Final plats shall include in addition to the above:

- _____ Final original plat (24 inches by 36 inches).
- _____ Surveying and dimensional data.
- _____ Dedication statements and certificates.
- _____ Statement of approval by the office of the City Engineer.
- _____ Statement of approval by the Public Utilities Director.
- _____ Statement of approval by the Laredo Fire Department.
- _____ Legal instrument(s) vacating any private easement proposed for abandonment or relocation.
- _____ Legal instrument(s) vacating any public easement proposed for abandonment or relocation which was dedicated by separate instrument.

5. Replats without notification require:

- _____ Signatures of the owners of the property proposed to be replatted;
- _____ Notation on the face of the proposed replat indicating the purpose of the replat and the following statement: "This replat does not attempt to alter, amend, or remove any covenants or restrictions. No portion of the preceding plat was limited by deed restriction to residential use for not more than two (2) residential units per lot".

6. Replats with notification require:

- _____ Affidavit signed by all owners of property within the proposed replat that the replat does not attempt to alter, amend or remove any covenants or restrictions.
